RE: MUR 7439

August 7, 2018

Dear Mr. Jordan,

We have received your correspondence regarding a complaint filed with the FEC regarding the Philip A. Hart Democratic Club. Our response to this complaint is very simple and is backed up by the attachments you have in your possession.

As is obvious from the materials, they were prepared for a non-federal election, and were paid for with non-federal funds from a non-federal account.

This is a meritless and frivolous complaint and should be dismissed immediately.

Sincerely,

Julie Matuzak
President

Philip A. Hart Democratic Club
